

MINUTES OF WORKSHOP: JULY 27, 2021

Mayor Muska called the workshop to order at 5:31 pm. Tommy Muska, Natalie Kelinske, David Pratka, Steve Vanek, and Jimmy Doherty were present. Joe Pustejovsky was absent.

CJ Gillaspie was present and proposed his salary recommendations to the council. He would like to give merit raises based on his employee's performance. He went over the water department and street department employee list and went into detail as to what he would like to see done regarding salary increases.

Shelly Nors also presented her salary recommendations for her employees. Currently we have a water clerk position open which will need to be filled soon.

Mayor Muska and Shelly have been talking to the tax office to try to get the correct appraisal roll for the 2021-2022 fiscal year. As of today, McLennan County does not have the tax rates set yet. We will need that rate to determine the property tax revenue amount for next fiscal year.

The next budget workshop will be held on Tuesday, August 3 at 5:30 pm at the Community Center. The workshop will be held before the regularly scheduled council meeting.

Council adjourned at 6:45 pm.

Shelly Nors, City Secretary
