

MINUTES OF WORKSHOP: AUGUST 10, 2021

Mayor Muska called the workshop to order at 5:31 pm. Tommy Muska, Natalie Kelinske, David Pratka, Joe Pustejovsky, and Steve Vanek were present. Jimmy Doherty was absent.

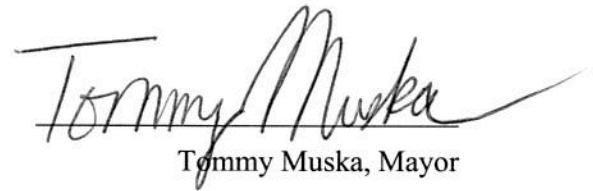

The revised budget was presented with option 1 including \$100,000 in general reserved funds for a fire truck and option 2, no funds for a fire truck. The police station construction cost was included in both option 1 and option 2. Natalie, David, Steve, and Joe were all in favor of proceeding with option 1. Natalie suggested that whatever the council decides to do, the fire department needs to put in some of their own funds to go towards the purchase of fire truck.

The proposed budget will be posted online and available at city hall for public review once the tax rate information has been turned into the city.

Council adjourned at 5:59 pm.
