

MINUTES OF MEETING: FEBRUARY 21, 2023

1. Call to order: Mayor Muska called the meeting to order at 8:00 am.
2. Roll Call: present council members – Cody Harris, David Pratka, Joe Pustejovsky, and Mayor Tommy Muska. Natalie Kelinske and Matt Miller were not in attendance.
3. CJ Gillaspie said they only had one bid put in for the Reagan/Marable/Davis Street improvements. Holy Contractors came in with a base bid of \$2,649,035.06, alternate A bid adding in Davis of \$2,844,534.06 and alternate B bid adding in Reagan storm drain issues of \$3,019,470.33. The total base bid with both alternate A and alternate B bids came in at \$3,214,969.33. CJ Gillaspie stated that the wastewater treatment bid opening is on March 21. Council discussed that street repairs are important but they would like to see bids on the wastewater treatment plant expansion before deciding on the Reagan/Marable/Davis Street Improvements. CJ said that the cost of materials seems to be going down so hopefully the actual bids will be lower than the \$18 million estimate. Once we receive the wastewater treatment plant bids, we can rebid the Reagan/Marable/ Davis Street improvement project. On a motion by David Pratka, seconded by Cody Harris, table the bid and approval of the Reagan Street project. All in favor, motion carried.
4. Council adjourned at 8:29 am.

Shelly Nors, City Secretary

Tommy Muska, Mayor
