

**MINUTES OF MEETING: August 27, 2024**

1. Call to order: Mayor David Pratka called the meeting to order at 5:30 PM.
2. Roll Call: present council members – Cody Harris, Natalie Kelinske, Joe Pustejovsky, Matt Miller, Chris Nors, and Adam Miles (City Attorney) were present.
3. Revisited salary discussion regarding Assistant Administrator & City Administrator. Council granted a 5% COLA for the Assistant Administrator and the City Administrator received no COLA for the 2024-2025 fiscal budget year. West EMS is to receive an additional \$6,000 in fuel expenses along with the other items already included in the budget (cardiac monitors and \$12,000 already in fuel expenses). Additional budget changes, move all budgeted QIPP funds except \$70,000 to unallocated. Council wants flexibility to either move that money back to QIPP or use it for street repairs if council decides to drop the QIPP program. Council instructions to the mayor, start budget meetings earlier next year, look into yearly admin evaluations in Q2 starting in 2025, and research 3<sup>rd</sup> party entity to conduct proficiency reviews for all city departments.
4. Council adjourned at 6:57 pm.

David Pratka, Mayor

Robin Wylie, City Secretary
